WASHTENAW AREA MUTUAL AID COUNCIL TRAINING

BLUE CARD DIVISION OPERATIONS WORKSHOP

The Blue Card Division Operations Workshop is a specialized training session focused on the roles and responsibilities of Division Supervisors, aiming to enhance incident organization, accountability, and safety. The workshop typically includes simulations, discussions, and reviews of Tactical Accountability, Air Management, and Division Supervisor job functions.

Key Aspects of the Division Operations Workshop:

- **Focus:** Defines the specific roles and responsibilities of a Division Supervisor within the Incident Command System (ICS).
- **Workshop Content:** Involves in-depth discussions, simulations, and review of tactical accountability (managing passports/resources), and tactical air management.
- **Safety Integration:** Integrates embedded safety procedures specific to the Division Supervisor's role.
- **Goal:** To improve the effectiveness of the command organization at a division level during incidents.
